

Official Hospital SOS Taskforce Campaign

Our community has been betrayed over a pledge to build a £1/2bn Hatfield super-hospital-- now they want us to lose our acute services at the QEII too. Maternity, A&E, Paediatrics, Elderly Care and Surgery are all about to be under review. Stand up and be counted before it's too late!

We the undersigned believe that Welwyn Hatfield needs a major hospital.

Please return this petition to Grant Shapps MP, Maynard House, The Common, Hatfield, AL10 0NF. You may photocopy this form in black and white or colour as many times as you require. You can also print out additional copies from www.HospitalSOS.com

The campaign to protect hospital services in Welwyn Hatfield is run and supported across all cross-parties.
